OFF MY CHEST

Editor's Notes

So many boobs, so little time. I love tits, always have, always will. Obviously, you love tits too or you wouldn't be holding Gent in your sweaty hands. Well my friend, you've come to the right place. We have an extremely boob-packed issue this month. Our covergirl is **Puma Swede**. I have been a fan of hers for years, but never had the opportunity to shoot her. It finally happened, that we were going to be in the same place at the same time. When she walked through the door, I was blown away. She is stunning! She is 5 foot 10 inches of pure wet dream. It's rare that you see a girl that is so well put together - which you'll see in the future. When we were pretty than moved onto a XXX boy/girl layout - which you'll see in the future. When we were pretty much finished, she told me that she'd like to do something where she gets wet. Well, from where I had been standing for the previous 3 hours, it looked to me as if she was already quite wet. I guess I misunderstood, because she actually meant with various liquids - chocolate syrup, always had a thing for big tits covered and dripping with various liquids - chocolate syrup, Champaign, water, cum, etc. - she didn't have to ask me twice. I went into wardrobe and found a nice white dress shirt. I gave her a hose and let her be sexy. As you will see by the pix, she does wet/sexy quite well. One of my all-time favorite models is **Summer Cummings**. We have been friends for about 15 years. I got a chance to shoot her years ago and put her on the cover of *Cleavage*. Recently, I got an e-mail from her stating that she would be in my area, and would I like to shoot. A couple weeks later she was in my studio with the incredible Elizabeth Starr of Starr Productions. Summer is a great model that brings a lot to a shoot. With most of the models, I have to direct them through each step of the shoot. I call Summer a "point and shoot" girl. She knows what I need and she knows what works for her. I can just step back and push the button. I don't get many bad pictures. A couple years ago I built a life-sized Barbie box. I realized that it would be the perfect venue for Summer. I called her and informed her what I had in mind and she thought it was great. She even went so far as stopping on the way to the studio to pick up a business suit. I wanted her to be a secretary. After all, Barbie has always been a very accomplished career girl. As always, Summer delivered as I knew she would. We also shot some girl/girl things with her and Elizabeth, which you'll be seeing soon. **Kate Frost** has a beautiful body with hot, soft, full tits. Looking at her I was starting to rethink my whole "don't fuck a model" policy. She was so sweet and easy to work with, that I kept having fantasies about throwing her down on the bed and burying my face in her soft, full tits while sliding my hard cock into her hot wet pussy. But I digress! She is a great addition to the Gent family. Speaking of full tits... and full holes, for that matter, **Dolly** brings her huge rack in, and proceeds to stuff all her holes with cock. In fact, this month we are over-loaded with cunt cramming, slit slurping, big-tit action. **Lolly Topps** manages to stuff her pussy and her mouth full of boy meat. Past cow-ergirl **Ashlee** is back for a carnal encore. Newbie **Liz Taylor** - no not that one - gives out the poor-strap-on. **Destiny B. Wild** and **Morgan Reigns** take turns riding each other's faces and a big thick itable pussy feast. I shot **Alicia DiMarco** in her garage where a vintage Corvette is being restored. Big-tit naked chick and a hot car, add some Rock n' Roll to that equation and you have the perfect date! As you can see, I have the best job in the whole world. Almost every girl that comes/cums through my studio is a pleasure to work with. Although it's always a lot of work, it sure beats some of the other jobs I've had. I get requests every day from guys that want to be my assistant. It's a dirty job, but somebody has to do it. After all, it's All About The Boobs!

TALE OF TWO TITTIES...

Dear Rhiannon,

I saw your recent Breast Of Times column in Gent. All I can say is "Wow"! Your entire body is amazing. I love it all - your fingernails, tattoos, your beautiful lips (I'm talking about the lips on your face, but the lower set are great too).

Of course I must mention your wonderful chest. Although, I am at a loss for words, but all I can say is that they are terrific? I have to admit that I think female breasts are the best things on the planet, but yours easily belong at the head of the class!

I'm not the only member of my household that got hot and bothered by your spread. My wife also loves your look. Thanks to your pictures we had a great fucking session - sorry about the language, but that's exactly what it was.

I want this to be a letter of admiration and respect. My wife and I really appreciate the effort you so obviously put into your body for your fans.

Thanks,
**Jason Holmes,
Minden, NV**

Dear Jason,

Thank you so much. I appreciate that people like you are really paying attention and realize what it takes to maintain a true "slim & stacked" body. I've

always wanted to have a "Comic Book Heroine" body.

I'm so glad that I could be the aphrodisiac for you and your wife's fuckfest - sorry for the language, but you started it. Did either of you scream my name while you were cumming?

Rhiannon

Dear Gent,

I was recently on a west-bound night flight from New York to L.A. The plane ended up being pretty empty, which is rare these days. Anyway, so after we were in the air for about an hour, I had finished up some work that I had brought with me and was getting bored. I stood up and reached into the overhead bin to retrieve the latest issue of Gent, and settled back down for a little stimulating reading.

Unbeknownst to me, someone took notice. Before I knew what was happening, a girl that had been sitting a few rows back, slid into the seat next to me. She gave me a big smile and mentioned that she too was a fan of my selected reading material.

As me eyes traveled down to take a look at this aggressive gal, I was pleased to see a huge pair of boobs straining to break free of her button-up blouse.

I sat back in the seat and opened up to the first layout

of Charlee Chase. My new friend made the comment that although Charlee's tits were great, hers were bigger. I didn't know what to say, so I just nodded and turned the page.

As we moved through the mag from layout to layout, she made comments about each model. By the time we got to Amber Bach my dick was straining and needed to be adjusted. I didn't want to be too obvious that I was in such a state, but I had to do something. Before I got the chance, I felt her hand creep over into my lap, and instantly wrap around my "predicament."

I felt her tug my zipper down and reach in to get a grip on my throbbing cock. With her other hand she took one of mine and placed it on one of her huge tits. Startled by the turn of events, I pulled a blanket up around our shoulders. Luckily it was late, so most of the other passengers were sleeping.

As she pulled my dick free

from my pants, I unbuttoned her blouse, until all that was holding her boobs was a very strained bra. The latch was in the front and in a quick move, I unhooked it and her incredible breasts fell into my hands. They were big, soft and natural. As I fondled the bountiful mounds of tit-flesh, she stroked up and down my screaming shaft.

I told her that I wasn't going to be able to hold out for very long with the heat of the situation. With that she took a quick look around, to see if anyone was looking and ducked under the blanket. The next thing I felt was her warm mouth sucking in my cock. She swallowed all the way to my balls in one gulp. My eyes clamped shut and my head slammed back onto the headrest. My hands were still filled with her wonderful tits as she bobbed up and down.

The first volley of cum shot out, creaming the back of her throat. She didn't even hesitate; she kept suck-

ing my shaft from top to bottom, as 4 or 5 more streams blasted out. It was all I could do, to not scream out from the intensity of the cum.

As my cock slowly began to shrink, she climbed out from under the blanket and put her marvelous boobs back in their holder, buttoning up here shirt. She thanked me for making the flight go faster, kissed me on the cheek and moved back to her seat.

Danny Addams, Parsippany, NJ

Danny,

Glad we could aid in your joining the mile-high club. That's what I call flying Hooters Airlines.

Fury

Dear Anton Fury,

I just wanted to thank you for featuring the gorgeous bombshell Mia Starr again (July 2007). As a regular Gent reader, I saw her pictorial in the January 2007 issue and was hoping

you would feature her again soon.

Please let Mia know that she has a lot of fans and although I am an old man and know that I can't fuck her, it would be a privilege to kiss her feet

I also want to thank you for Kelly Madison - she is another great "Tit Goddess"!!!

Name withheld by request

I've loved Mia since I first shot her. She has that 60's Raquel Welch look, only better, because she gets naked. I love when I find a new one that's really special.

As for Kelly, I didn't find her, but I'd sure like to find her... preferably between my sheets.

PHOTOS BY BIG DICK JOHNSON

There are a lot of things I want to do in the adult industry, but very few of them compare to my main goal - to have some fun and make a lot of people happy while I am doing it! I decided a little while ago that I wanted to actually get out and connect more with my fans - to get up close and personal with more of you. I have had a lot of issues from time to time with getting my own website up and running, but I finally feel like things are going as well as they possibly

can, at this point. I have been working with some wonderful people, and have been having a great time! Once things started rolling along a little bit better, I decided it was time to get started with some of the things I wanted to do right from the beginning, but couldn't get anyone to do for me. The first thing I did was create a little page in the member's area that I was looking for fans to fuck - after all, what better way to make you happy than to fuck you myself! I went through some of the e-mails, and wound up connecting with a guy that wrote me a very dirty let-

ter about all the things he wanted to do to me! I decided that was good enough to check him out in person, so I responded back and told him when and where. He showed up at my door right on time, wearing a bright orange mask, a smile, and soon very little else! I dropped to my knees and dropped his pants right to his ankles, his already hard and throbbing cock bouncing free before my eyes. I took his cock down my throat before he could say a word, and a moan escaped his lips as I bobbed down his knob. I worked

my mouth and tongue around the head and slid the shaft down my needy throat, as he held the back of my head. I gagged and spit on his dick, getting it good and wet, and slipped it between my tits, engulfing his meat completely. He stood firm and fucked my massive chest, the head peeking through just enough for me to get my mouth around it on each stroke. He was moaning as he stabbed at my rack, and I was loving the feeling of his dong throbbing between my tits, but my pussy was dripping wet at this point and needed some action!

As fast as I could manage, I stood up and bent over, allowing him access to reach my soaked snatch, and he was only too eager to grab my hips and drive his cock between my fleshy folds. He gripped me tight and rode me hard, pounding my insides as I massaged his member with my tight pussy muscles. I was cumming instantly as he found my g-spot with his dick. I leaned forward, barely able to support myself with my arms, getting weak from the repeated orgasms. As I did my hard nipples started to brush against the floor, sending shockwaves of pleasure

up and down my spine, directly to my clit. The combination of the pleasure of getting fucked good and hard along with the sensations coming from my nipples brought an incredibly intense orgasm, and I felt myself overflowing with pussy juices. I was enjoying the cunt pounding, but I felt an itch that needed to be scratched, so I demanded that my ass get fucked next! He gave one final deep thrust in my drenched cunt, and my pussy lips gripped his cock tightly before reluctantly letting loose of his hard cock. His schlong was dripping wet with my juices, and

I stuck my ass out towards him, begging him to fill it. He just smiled back at me from under his mask, and I was starting to get very antsy, when I felt the head of his cock at my puckered little hole. I pushed back on him, and in just a few short seconds the head slipped past my tight pucker and deep into my asshole. I came as soon as he was buried deep in my ass, feeling every inch slide into that forbidden zone. I adjusted to the intense feelings of pleasure, mixed with pain and then told him to fuck my ass hard! It didn't take much convincing as he worked his

cock in and out of my ass, making me scream with the intensity of the sensations! I rocked back and forth, encouraging him to bury every inch as deep as he could into my backdoor. I came over and over again with every stroke, and as he got more and more into it I could feel his cock starting to throb and pulse. I knew I wanted that cum all over me, so I pulled off his cock, my ass gaping from the pounding it had taken, and took his throbbing dick between my lips to finish him off. I swallowed him to his balls, and at that moment he started to let loose with a huge blast

of cum! I pulled back so he could decorate my face and tits with his creamy seed, scooping it up with my fingers, to get a good taste
I have to say it was an even better experience than I could have hoped for, and I am looking forward to my next fan fuck! Send me all your ideas at sweetiowafoxxx@aol.com and maybe you will be the next one to fuck the Foxxx! Keep on cumming!

GENT MAGAZINE • DECEMBER ISSUE # 129

WANDA LUST

Wanda was referred to me by her friend, Porscha Ride. Wanda's a big-titted MILF, but I thought it would be fun to dress her up as a school-girl. The shoot was a panic! She's a real cut up!

I asked her how she got into the biz. She says she was an escort for 3 years and saw the kind of money pornstars were making. She decided to do porn and raise her rates!

The first shoot she did was "School of Hard Knockers 3" where she met Sara Jay. They hit it off right away.

Wanda says, "One of my most recent releases is by VCA, titled MILF Shakes. I'm paired up with

Dave Pounder for my scene.

I recently shot "My Friend's Hot Mom" for Naughty America. I'd really like to work for these companies again soon. Another new title I have out is "50+ and Hummin'" by Gentlemen's DVD. Even though I'm nowhere near 50, it's a hot scene!"

I could tell by how easy the conversation was going, that Wanda loves her job. She says there's nothing like having sex, getting paid,

then going home to tell her guy all the juicy details!

"I have some great pictures online," she adds. "There are three galleries up so far, on Karupsow.com showing me as a naughty nurse, naughty office worker, and a naughty French maid. There will be more layouts of me coming soon."

Go see Wanda and check her out! Her websites are CoolestChick.com and WandaLustXXX.com.

TIT BITS

MICHAEL BUSHLER R.I.P.

Friends and colleagues are mourning the passing of Michael Bushler, owner of Phase One Graphics and FYA Independent, who died suddenly of an aneurysm on April 14 at age 58.

FYA Independent produces the Gigantic Joggies and Big Boobs – The Hard Way lines that we feature every month in Boob Tube.

Death was instantaneous, according to Becky Bushler, his wife of 38 years. He was cremated, with no funeral and no memorial service, in accordance with his wishes.

Since 1982 when he and Becky started Phase One Graphics, Bushler had been a major presence

in the adult industry. They are one of the longest-running and most successful graphic agencies, designing box covers and promotions for a wide range of clients. A little over two years ago he got into production with FYA Independent, which now has a catalogue of 35 titles.

"Mike and I ran the company together," Becky said, "and every phase of it will continue. My immediate clients, my great staff, and my distributor, Avalon, are all staying with me."

Samson Knight, whom Bushler called his "right-hand man," will continue as editor for all FYA releases. Knight, two cameramen and a soundman, Becky said, "have shot every movie Mike and I made together. With those four kindred spirits the FYA product will stay

as strong as ever."

Mike will be missed.

XRCO AWARDS

The XRCO Awards took place on April 5th this year. Hosted by Tera Patrick and Evan Seinfeld, the event was an amazing mix of people who gathered at Forbidden City in Hollywood.

A brief list of some winners are Curse Eternal, Corruption, Britney Rears 3, Jenna Haze Darkside, Joey Silvera's Service Animals, Belladonna - No Warning 2, Jack's POV #5, Sasha Grey, Derrick Pierce, Mika Tan, Mark Wood, Hillary Scott, Tommy Gunn, Randy Spears, Mia Rose and Janine.

There would be a veritable laundry list of loose ladies to include here but the other tits that stood out (I just wanted to say that) were

those of Nina Mercedes, Nicki Benz, Harmony Bliss, RayVeness, Candy Manson, Ms Panther, Sophia Rossi, Taylor Wane, Whitney Stevens and especially long-haired Asian beauty Ange Venus who was pretty naked even though she was wearing clothes.

Incentive: 40DDD!

I ran into Gina DePalma the other day. She was all soft and curvy! I first met Gina at the Adult Entertainment Expo this past January when her booth was in the same area as mine. When she came to my area I couldn't resist working with her. She's flexible and creative, prompt, professional and a lot of fun to work with! Gina travels constantly, so she could be in your city at any time. Go to AINews.com and read her MiniView.

CINNABUNZ IS BACK!

I was about to shoot a scene with 2 girls when one of the girls flaked. I was trying to figure out how the Hell I was gonna clone the lone girl, when out of the blue Cinnabunz called. She said that Delotta Brown had given her my number. She said she was 20 min-

utes away and ready to work!

I must have good Karma!

I hadn't seen Cinnabunz in quite a few years, but she is still gorgeous and did a killer scene with Kelly Leigh and me. We got a chance to talk afterwards and she had this to say about watching porn; "I'm such a dude! I don't care about a love story, I want to see a big cock pounding a wet, stretched pussy!"

She told me she started doing movies in a girl/girl/boy scene with Guy DeSilva in 1999. I first met her

when she signed for Heatwave at AVN in 1999.

Cinnabunz had a pretty bad accident in December 2005. She got hit by a car while bicycle riding. That's why we haven't seen her in the last few years. She was going through physical therapy 5 times a week for a year and had surgery on her arm. She says, "Thank God for my butt, I landed on it. I'm lucky I'm not paralyzed."

Cinnabunz is a true Gemini. She had been in the music biz since

1998. She played guitar until her ex sold it - "That's why he's my ex now".

Until next issue, I'll be on the lookout for more busty babes! Steve Nelson, Editor-in-Chief Adult Industry News, AINews.com. MySpace.com/ReadAINews, StripClubSecurityCam.com

AND THE BIRTHDAY BOY

Being a part of GENT is like being a part of a really, really, really big family. The more busty girls we shoot for GENT the more immense our family becomes. As both model and talent coordinator, I truly get the best of both worlds. I especially enjoy the shoots when we are on the road. I usually book a large number of models each day. So needless to say, the shoots are very long but this is when the real action takes place. I always speak with the girls numerous times before actually meeting them. Although I have been in this industry for a very long time, there are many of the girls I have never met in person. Since GENT is known for introducing new fresh talent to our readers, the talent is often new to me as well. You guys usually only get to enjoy the models presented in our fantastic pictorials. Seldom, if ever, do you get the opportunity to witness what happens "behind the scenes", while the models are just being girls. So, I now invite you to one of our shoots while on the road.

It is round the clock shooting when we travel to the west coast. There are so many beautiful, busty models that live or relocate, are travelling or working, or just simply make the trip out there, to meet up with us to shoot for GENT.

After lining up numerous busty models, my second mission is to scout for great locations that will compliment our incredible girls. I investigate outdoor locations, hotels, private homes and clubs - basically any area where we can shoot uninhibitedly.

This shoot was done in a spectacular private home once owned by Frank Sinatra. It had 11 bedrooms, a theater for movie screenings, an indoor pool, 6 bathrooms, sitting rooms, 2 game rooms, and seemed to be filled with endless secret hideaways for private encounters. The ghosts of Dean, Sammy and the rest of the Rat Pack where quite evident. I am certain this house was responsible for a myriad of incredible wild adventures during the swingin' sixties. I felt the exhilaration as soon as I entered the house. I think the other girls felt the same way.

Upon contacting the owner, I requested the use of his home for a 2-day shoot. He was very excited, since he has been an avid reader of GENT for many years. His only demand was that he be allowed to stay and watch the shoots. I was thrilled that he had such interest in our publication. I viewed his attendance at

the shoot as an asset, because I felt it would stimulate the models.

When we arrived at the house, the owner had a small caravan of guys anxiously awaiting the entrance of our busty girls. I was very motivated by their enthusiasm. As the talent piled in, I could see the guys getting more and more excited. They were like kids in a candy store. They did not know who to look at first. I introduced all the girls to each and every male present. I figured I had better break the ice since these guys appeared a bit nervous. Well, it did not take much time to get everyone comfortable. In fact, I really should have requested a map of the house, since several of the girls seemed to disappear with some of the guys. Eleven bedrooms is a lot of rooms to check when trying to locate the model that needed her make-up done to get her ready for her shoot. Well, at least she was fucking and sucking the dude before her make-up was applied. Our poor make-up girl had her hands full enough, between initial applications and touch ups. Trying to get the jism off a model's face before her foundation is a lot easier than smearing it into her already applied make-up.

I am always happy when the girls are having a good time. We ALWAYS seem to have TOO much fun. The host was very generous with anything and everything he could offer. He and his buddies wined and dined all of us. And the models well, they were thrilled to reciprocate!

Anton, as always, was very focused and extremely organized. He has to be, especially with 9 naked girls running around at one time in a party house filled with horny dudes. While Anton was shooting his infamous g/g scenes, making sure tits, ass and pussy can be seen in every shot, the rest of us were making friendly. I always feel badly for Anton, because he never seems to get to partake in the festivities, while the rest of us are feasting. Oh well, a small price to pay as the unparalleled, consummate, quintessential big-bust photographer.

I managed to get a piece of every hot bitch that we shot. I slipped off into the theater room with Deena Duos. I love her huge tits! We really put on a great show for the guys. The crowd gathered around us while we rubbed and pushed our giant tits together. We lapped each other's pussies wildly. We let the guys take pictures and video-

rape our hot girl-girl action.

Naturally, we smothered every guy's head between our massive mounds. After all, aside from sliding a stiff cock between our tits, where else would a dude rather put his other head?

Our first day just so happened to be the owner's brother's birthday! Well, all of us girls gave him the most memorable birthday of his life. Two of the models gave him a personal lesbian show that even made my pussy drip. Elektra and Jaded are truly best of friends. They love "making love" with each other. They exchanged deep wet kisses, while fingering each other's smoldering snatchies. After sucking, fondling and massaging their voluptuous mammaries they brought out the big guns. What's a lesbian show without toys? The dildos were of various sizes. Both Elektra and Jaded plowed their pussies with their slippery friends. And for the finale, the infamous "double header". I was very impressed to see how equally they shared that rubber cock.

Next for the birthday boy was a kinky sex ride with June Summers, Deena Duos and Sunny Day. They sure know how to make a guy feel good. Between Deena's enormous boobs and June's and Sunny's wet and ready cunts, this boy died and went to hooter heaven. They fucked the shit out of him. Yes, that's right! All of this while poor Anton was trying to shoot. The funny thing is, being around this business, no one ever gets distracted. The models that are in front of the camera are focused on their own performance and never miss a beat.

The birthday boy was then lead to the pool table where he was told to lie down. He was stripped by none other than Nikki Jackson, who had far too much fun abusing him. Naturally, right on cue I jumped in for a couple shots myself.

And for the birthday boy's grand finale, all of us girls gathered round him and gave him a great big litty feast. He squeezed, jiggled, sucked, licked, massaged and kissed all the tits in the house. He was one happy birthday boy!

Who knows, maybe you will invite GENT to shoot in your home for our next road trip.

BINGO BANG

WRITTEN BY CHELSEA ARBOR ILLUSTRATION BY AARON WARNER

As soon as I turned eighteen, my mom was like, "Chelsea, get a job," and "Chelsea, when are you getting a job?" Finally I couldn't take it anymore and got a job as an "entertainment director" at the old folks home. I was thinking cool because there's no way that could be a lot of work. I'd been to the old folks home before and it definitely moved at a slow pace. Perfect for me.

I actually really started to dig it. I mean, after a while of getting used to the smell and the having to talk loud, I liked the people there, and I found ways to make it exciting.

Like Bingo night, It's every Thursday, and damn if you don't start right at six. I swear those old farts get cranky. But I love bingo night. Well, now I do. I mean, when I started here, it was all like, just three people showing up and me saying B5 and G56 or whatever, and someone would yell "Bingo" and everyone else would go, "AWWW..." like they were so bummed. It actually was depressing them more, I think, just to play fucking Bingo. So I decided to liven things up.

The home didn't have enough money for prizes, and I thought that was lame, so when Harold won last week I said, "Nice job, Harold," and I flashed him my tits. Just a quick look to see what he'd do. And the whole place lit up. I loved it. It really brought a smile to his face. I thought, this poor man whose family barely comes to visit and served our country in a war, the least I can do is show some skin. So that's my thing now. I read the numbers, someone yells "Bingo", we check their cards, and then everyone looks up at me with a big grin on their face waiting to see my tits. It's pretty cool.

"N-45," I call out. Every seat in the room is filled. Everyone quietly concentrating on their cards. "O-75."

"Bingo!" I hear Earl yell from his spot by the wall. "Bingo! Bingo!"

We check his card and I say, "Are you ready?" And I lift the bottom of my polo over my huge boobs. My nipples get stiff from the air-conditioned room, and I squeeze my arms together so my cleavage spreads damn near

up to my chin. Everyone cheers, even the ladies, and I hear some say, "She's so cute," and "Isn't she adorable." And I think I heard someone say, "I wanna fuck her." That totally threw me off guard. I got back to my table and said, "Okay, whoever gets their whole card covered gets to see my pussy."

You should've heard the room go nuts. Totally cool. I was stoked! I was wearing a mini-skirt with my white polo and I took my panties off at Tony's house after school, so I was totally ready to flash my beaver.

A tense ten minutes later, Walt in the front of the room hollers out, "BINGO! I Bingoed. Come up here and show me your pussy, girl!" That was hot. I mean, he wanted it bad.

I bounced up to the front of the room all excited to give these old guys a wink with my pink-eye. I didn't even check his board. I hoisted my polo up to my neck and held it there with my chin, exposing my big, round boobs. They were young, and firm, and bobbed as I reached for the hem of my mini-skirt. I looked down to see Walt's eyes widen as he lowered them from my still swaying titties to my hands, lifting my jean mini to my waist. My tight pussy was out for everyone to see, and I wiggled my hips and bounced up and down so my huge hooters jiggled. He reached for my ass and I turned quick to give him a feel, and decided to just sit on the table. The others were cheering him on, so I spun around where I sat on his Bingo card so my big tits were right in his face.

"Come on, Walt, whip it out!" I said all slutty like. "Let me see your big cock!"

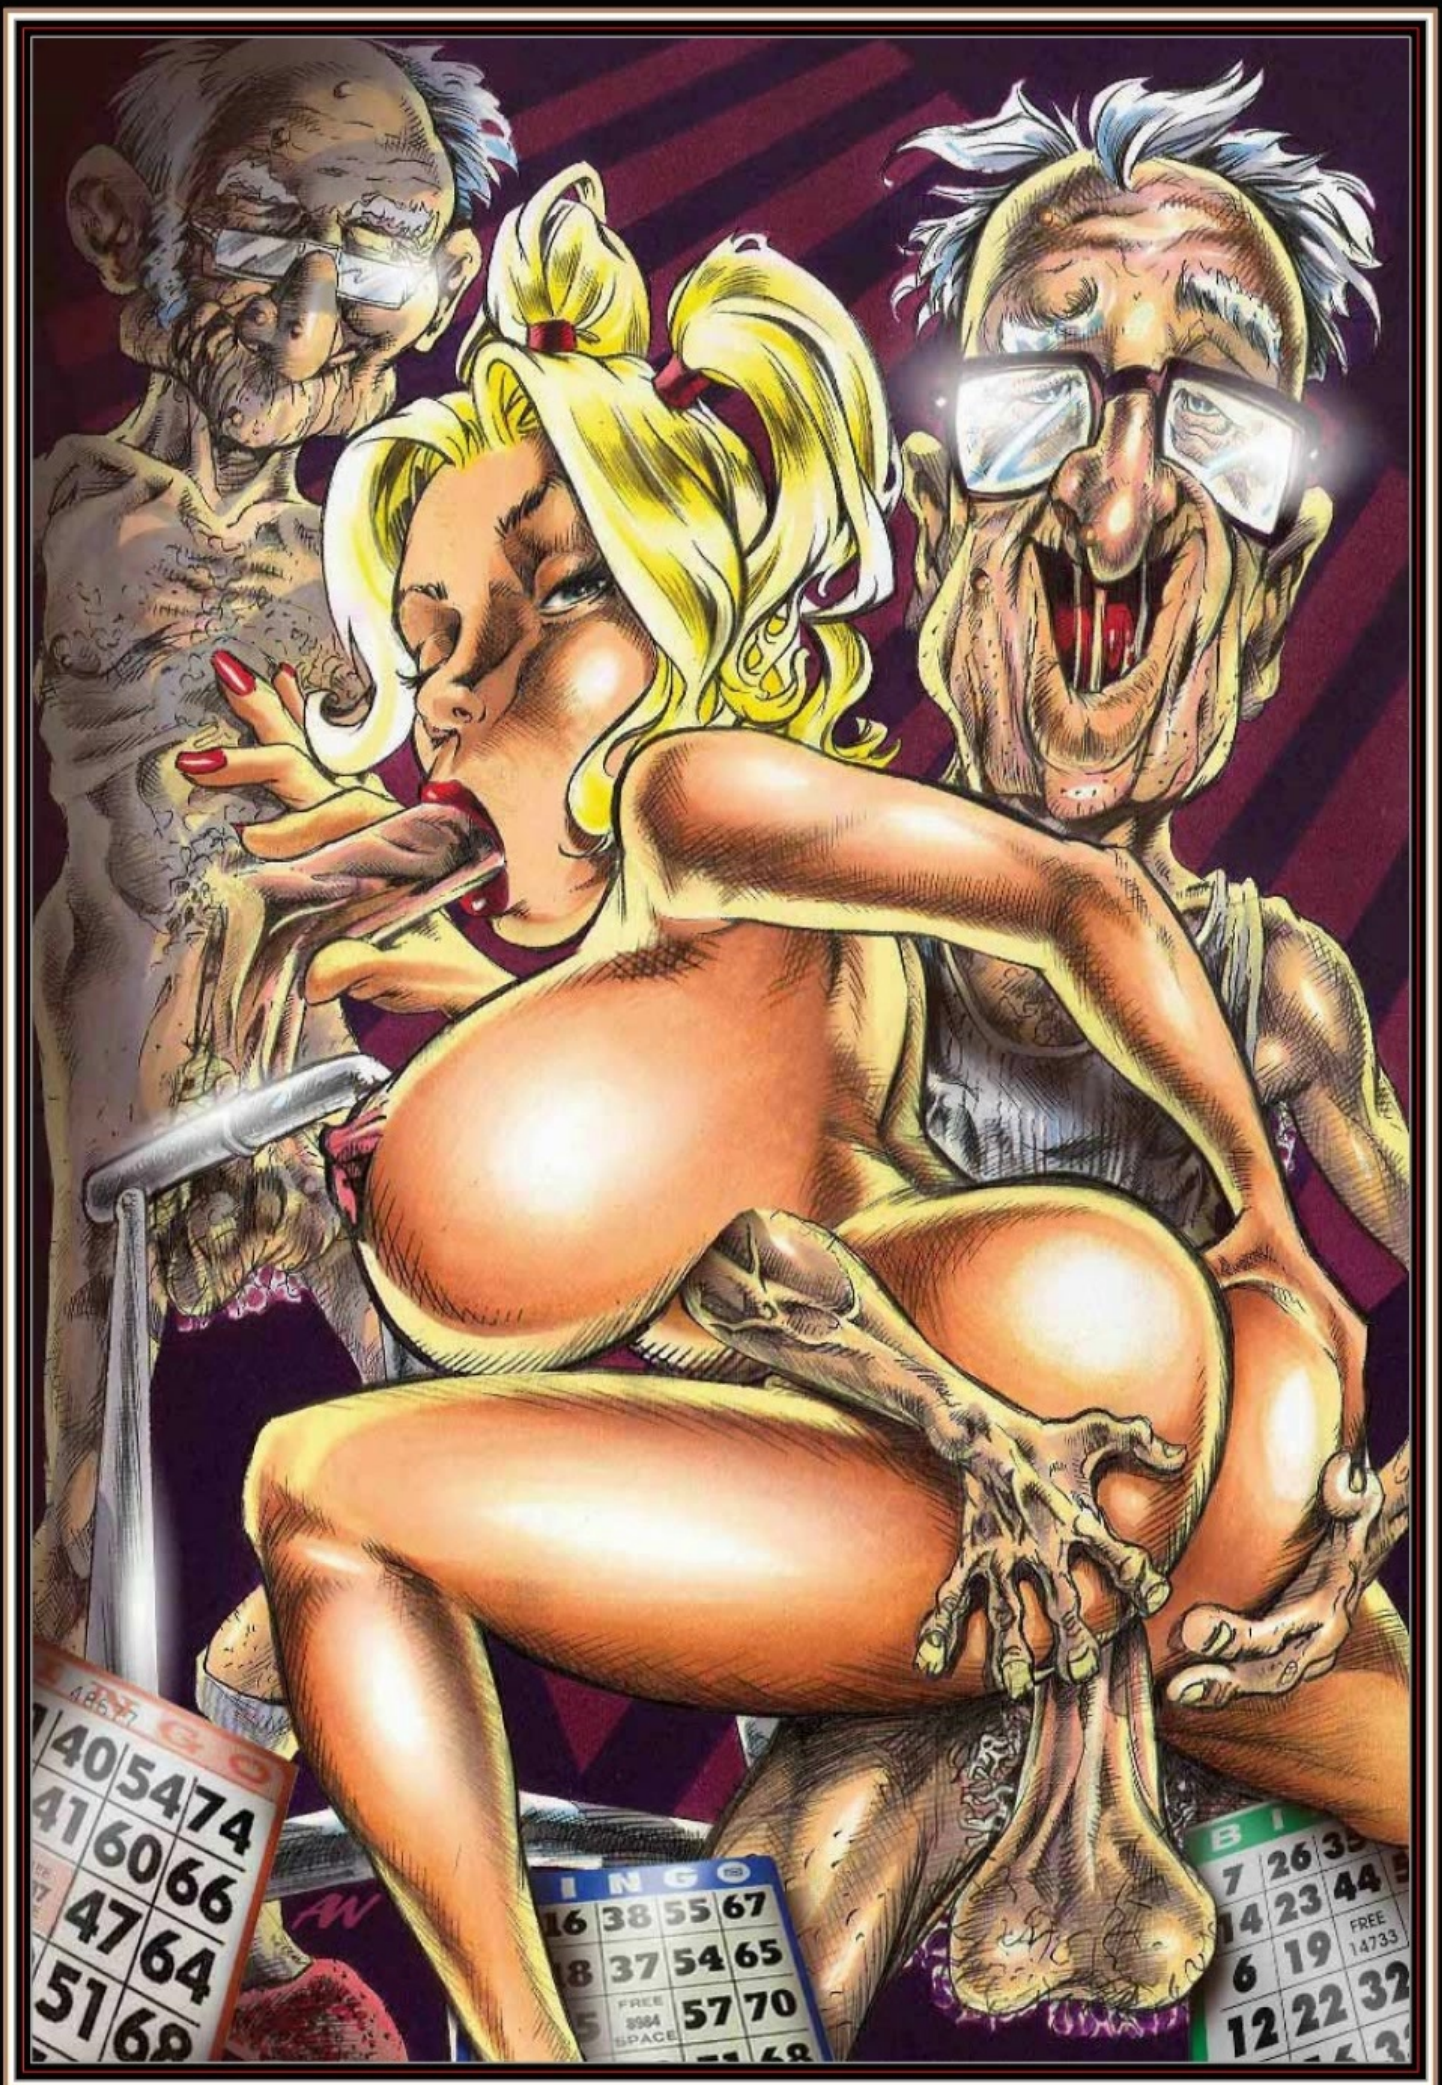

I unsnapped my mini and pulled my polo up over my shoulders, now completely nude except for my socks and shoes. I rubbed my cooch with one hand and milked my own titty with the other. Walt stood up and dropped his pants, revealing a thick, meaty boner I helped polish with my hand. My cunny was drippy and the juice on my hand made his prick shiny and slick. I dipped my fingers in my hole for a little more, and lathered his hard-on. The room was filled with cheering and chanting for Walt to stick it in, so I laid back on the table and guided his firm head between the flaps of my wet

pussy. I rubbed his balls and looked up and saw another hard dick and took it in my mouth.

There on my back with a cock up my twat and one in my mouth, I squeezed my big tits till the nipples were hard. I twisted the pink bud till it sent waves of ecstasy through my buzzing body. Walt was slamming like a piston into my wet and slap-happy slop hole. Tony spends too much time eating me out, when he should hammer me like this fucker was. His hands gripped my bouncing boobies, holding me down so he could fuck my hole hard, about to goob inside me. The cock in my mouth was sliding in and out and I raised my chest so I could squeeze my heavy tits around the slick pole I let fall out of my mouth and into the fleshy crack, titty-fucking me with the same ferocity as the meat pounding my cunt. These bastards knew how to fuck and they were not slowing down!

With his balls slapping my puckered asshole, Walt pulled out just in time to spray his white cheese all over my tummy. No hands. His pecker jerked in the air as it tossed jizz wads at me. The nuts from up above found their way in my mouth and I sucked on that big bag until this cock spewed a thick creamy load of sticky gooze all over my boobs. I grabbed my tits and squeezed them so the jugg chowder oozed out of my cleavage and ran down my side. I never felt so horny and girly and wanted. As they backed away, another team mounted me as cocks and balls surrounded my body. Hands groped my tits, and fingers found my pussy, while stiff dicks entered me in all my filthy holes. My mouth was coated in goo, and my ass was taking a pounding. I jacked off a hard-on in each hand, and opened my mouth for more! Finally I came and moaned the whole way through as the waves of my massive butt-fucking, dick sucking, titty-milking climax brought me to orgasm. I laid there in a heap of sticky, drippy cum as the pecker gravy ran from the folds of my pussy, and even more cock sauce drained from my tired ass. I was fucked.

So I got fired, big surprise. I can always find another job that blows!

CONFESSIONS

Of A Big-Tit Slut!

FEATURING TATIANA STONE WITH ROXY

I have been in the porn industry for a few years now. While it is my business, I mainly got into it because I love sex. I don't think there is anything that I haven't tried and I pretty much love it all.

When I go to a photo shoot, I'm never sure exactly what I'll be doing, or whom I'll be doing it with. It could be guys and a lot of cock sucking and fucking, girls and tons of pussy licking or any combination of the two.

On this particular shoot, I was introduced to a new girl named Roxy. As soon as I met her, my pussy began to juice up. She has the cutest smile and bright sparkling eyes. That was all great, but once we got on the set and her clothes began to fall away, I was just blown away by her full curvy body. She is 100% woman and I was all over it!

I didn't want to appear too anxious, so I tried to maintain a bit of composure as I lightly slipped my tongue into her mouth. Being that she was new, I wasn't sure how receptive she'd be to being with another girl. After about 2 seconds it was quite obvious that this wasn't going to be her first time swapping pussy treats.

She easily sucked my long tongue into her mouth as if it were a hard cock. As I pulled it out, her tongue slipped quickly into my mouth. We jostled back and forth for a few minutes as my hands began to peel down her bra to expose her perfect titties.

I eased down so I could suck on her hard nipples. Her hands moved behind my head to pull me closer. Her boobs were so full and soft, I just got lost in the moment. As I sucked on her pert nubs, I moved a hand down into her panties, slipping a finger between her moist folds. It was quite evident that she was as into this as I was. I raised my creamy finger to our mouths, so we could each savor her passion.

I eased her back down to lie on the bed and slipped down between her spread thighs. The tip of my long tongue flicked across her overly swollen clit. Her body convulsed on contact and jumped more with each successive lick. The taste of her cunt cream was so sweet that I could satiate my desire. My hands slid under her round firm ass to pull her closer as I continued lapping her slit. Her body trembled with passion as I brought her over the edge. With each cum she covered my face in her sweet nectar.

After a few minutes I really needed to get off myself, so I spun around and threw my leg over her head. Slowly, but firmly, I lowered myself down onto her lapping tongue. She wasted no time in spearing my pussy, fucking me with the appendage. I ground down tightly on her face to ride myself to an orgasm.

Just as I was nearing the climax, I felt the head of a thick dildo slide between my silky folds. She pushed harder until the thick phallus had thoroughly split me.

While thrusting the fake cock rapidly in and out, she continued her oral barrage on my love bud. One after another the cums were exploding all over me. I leaned my head back down to lap at her sex. It was difficult to concentrate on what I was licking, with the pleasure Roxy was giving me.

Finally, I had had enough for this round, so I pulled myself off her face and rolled over to lie beside her.

We were both breathing like we had just finished running a marathon. I recovered first and got to my knees while she remained on her back.

I picked up the toy that had been so wonderfully buried in my own cooze and firmly slipped it into her gaping gash. She spread her legs even wider to allow me total access. Her pussy was great, but I had other things in mind, as I pulled out another thick toy. I brought it to her lips, which parted to allow the thick cock wannabe into her mouth. I told her to suck it and get it good and wet.

In the mean time, I started to fuck her harder and faster with the big dildo. Her cunt lips were greedily sucking it in as deeply as possible.

I now pulled the dripping toy from her mouth and placed the head to her puckered little ass-hole. I pushed forward and her daisy-hole willingly opened up. The head gently slip in, with the thick shaft easily following, until over 8-inches were buried in her bunghole.

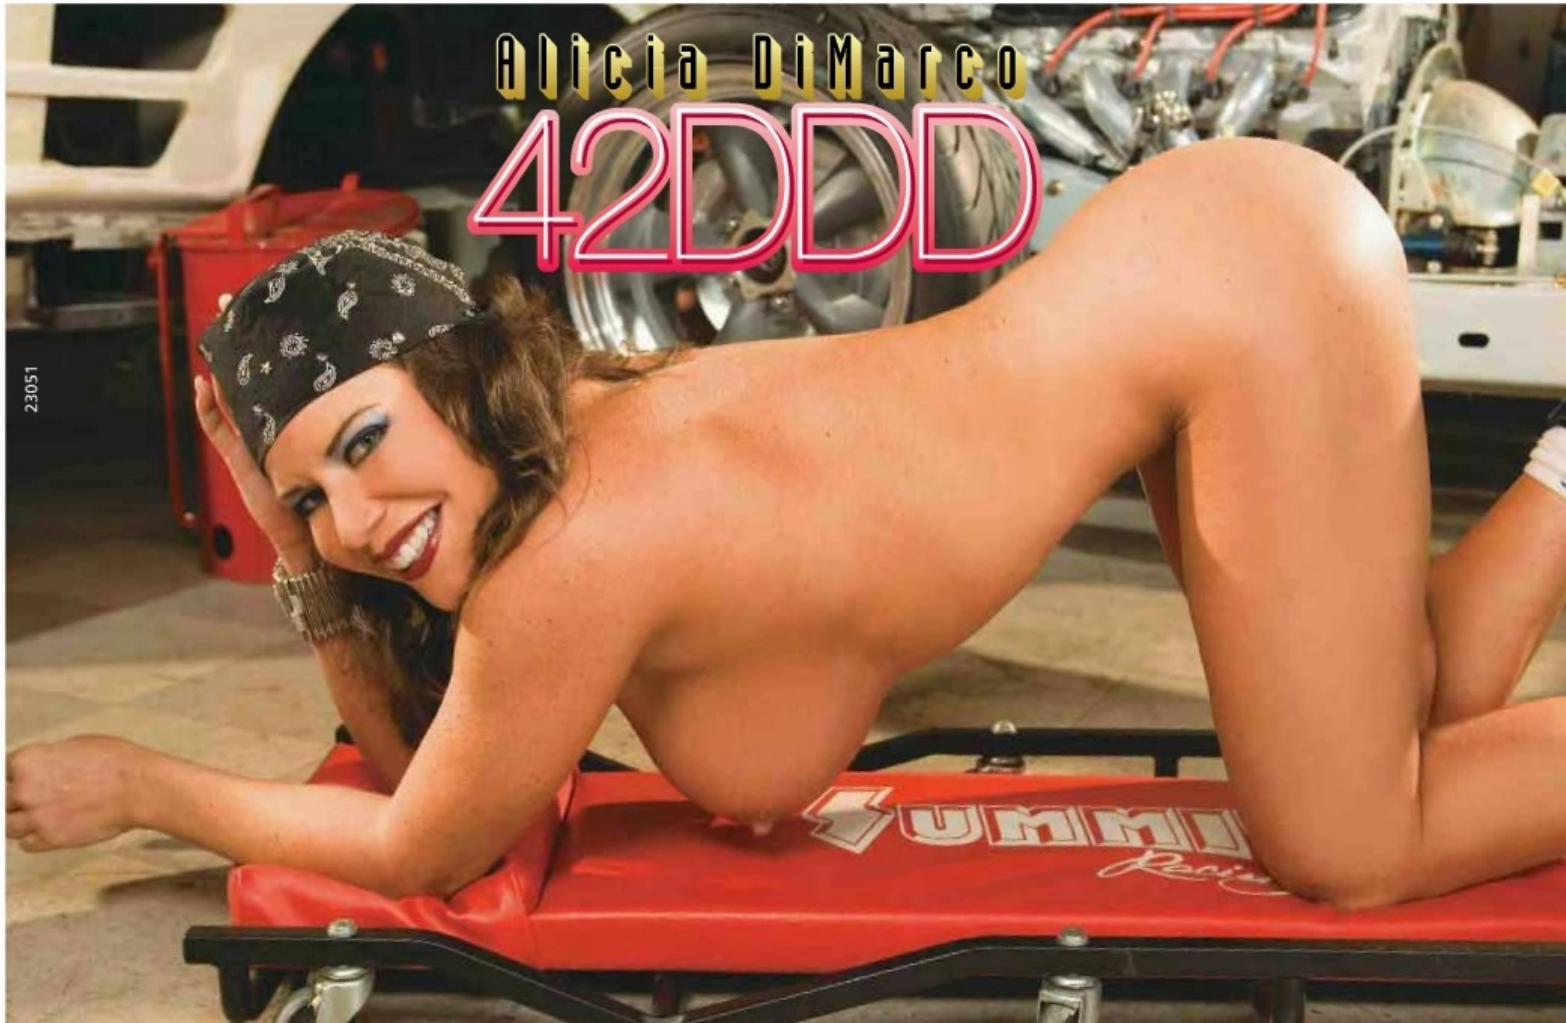

As I manipulated the tools like a pair of gearshifts, Roxy was going out of her mind from the intensity of the passion. Her hands were pulling each of her legs up so that her holes were wide open and fully exposed for me.

I was literally slamming the toys alternately into her as she thrashed about. The orgasms were hitting her like paintballs being fired rapid fire as she screamed in convulsions. Her ass was jumping off the bed as I kept up my assault. Finally, she screamed that she couldn't take any more, begging me to stop. I slowed down a little to bring her back to reality, until I slowly slid the dildos out of her holes.

She could barely catch her breath, as I brought each hot cock to my mouth, to suck them clean. They tasted so good, covered with Roxy's delicious cream.

It turned out to be quite a good photo shoot, but an even better girl/girl session for me.

Like I said, you never know what you're going to get when you book a shoot, but sometimes you call really win.

GIGANTIC JOGGIES 5

STARRING: Victoria Valentino, Holly Halston, Harley Raine, Sara Jay, June Summers and Zenova

DIRECTED BY: Fhraunze RUNNING TIME: 180 min.
AVAILABLE FROM: FYA Independent - FYAIndependent.com

DDD-CUP: Smokin' Hot DD-CUP: Serves your cock well
D-CUP: Don't even bother

FYA Independent's "Gigantic Joggies" franchise releases the fifth installment in the series with even harder visuals than past releases. "Gigantic Joggies 5" is packed with six stunning sweeties who know how to pleasure themselves and the viewer. It's so close to reality, you can imagine the taste, the touch and feel of each

body in this sizzling six-pack of sexpots. In fact, I think it should be called "Gent's Gigantic Joggies", because it features 3 Gent covergirls and 2 Gent models. With her 36EE's flopping madly, Sara Jay fingers herself with both hands, alternately plunging from pussy to mouth and back again, she invites the viewer to lick them and lathers her humongous hooters with her nooky nectar. Harley Raine (34DD) is a raven-haired enchantress who sucks you in with lewd language and explosive POV "you-are-there" footage. She cums furiously wrapped around a blue dildo and finally splattered with a thick wad of white goo from off-camera. Victoria Valentino (36DD) loves her tits and does a slow, but sizzling strip tease before revealing her bald pussy, glistening with her dripping honey. She sticks an immense dildo inside, bringing her to ecstasy that's beyond belief. Back by popular demand, Holly Halston (32DDD) has the most epic figure and largest-nippled breasts anywhere. Here, she cups her breasts and squeezes milk from her nipple, spreading it all over before finally cumming with feral intensity, as a dildo travels to every hole in her body. Zenova (38DD) outdoes all previous POV efforts with head below the camera, bobbing up and down on an "out-of-frame" cock. She comes up swallowing and says, "Your cum is sooooo sweet." She inserts a transparent dildo, allowing a glorious close-up view inside her vagina, as it bottoms out. June Summers (36EE), with her rose-petal translucent pussy lips and the most perfect round boobs and cherry-tipped nipples, doesn't say much, but with a body like hers, she doesn't need to! With this collection of girls and the extreme style, this is one of the hottest DVD's I've seen in years, and there's not a cock in site! **DDD-CUP**

MARY CAREY VISITS THE REALDOLL!

TEXT AND PHOTOS BY MARC MEDOFF / ADULT PRESS SERVICE

Did you ever dream about "building" your own woman from "scratch," putting together your personal "perfect" babe from toe to tit, created along the exact erotic specifications you prefer? Tight pussy, large ass, small waist, pouty mouth, and of course, the greatest set of knockers you ever wet-dreamed the night away to?

Well such a dream is now an everyday reality thanks to the friendly and innovative folks over at Abyss Creations, a southern California company who make what they call the "world's finest love doll." It's the "RealDoll"—the ultimate sex toy of a lifelike doll that is so real, you could swear they were! And if you have some disposable income, you can buy one and spend the rest of your life fucking the shit out of "her" boobs and every other body part that strikes your fornicative fancy!

If it sounds too good to be true, anyone can look for themselves on www.realdoll.com (do those massive mams look like the real deal or what?), where for over 11 years, they have been manufacturing and selling these heavy-hootered dolls—starting at around \$6,500 each—mostly to guys who want to fuck girls without having to take them out to dinner first! The company has nearly a dozen different body types—complete with "names" like "Amanda," "Leah," "Celine," and lots of others—that customers can mix and match to even more than that

number of faces. Then you pick and choose whatever hair color, lip color, skin tone, eye color, pubic hair type, etc. that you want—one from column A, two from column B, just like from a Chinese restaurant—and presto, instant girlfriend with gigantic gazangas! Each doll is made by hand, to the individual customer's order. You get to create your very own fantasy girl.

For well over a decade, Abyss Creations has been toiling in relative anonymity, selling their mega-chesty faux chicks to a small but dedicated group of obsessed buyers who keep cumming back for more. But recently the company got a public relations jolt when two big-titted porn star gal pals, Mary Carey and Samantha Ryan, took a drive down from Los Angeles one day to check out the RealDoll doings.

The blonde and busty 25-year-old Mary, known worldwide for five years straight now, not only for her some 75 hardcore video starring roles, but her notorious run for California Governor two years ago. Samantha has been in porn circles just a couple of years, with some 40 X-rated carnal credits on her resume. But both X-girls share a mutual lust for XXX-ploring sexual adventure, and having heard of the female creation factory, showed up one morning for a "tour."

"I'd heard about this place a lot, and I never really believe what I hear, but every time someone mentioned it, my nipples started to tingle," related Mary,

as she led Samantha into the warehouse-like structure for their first look at where "life" for RealDolls begins. And from the get-go, each of the porn performers were sexually stupefied. Both porners stood in awe as they immediately found themselves surrounded by dozens of "people" who were not people at all! They were dolls—real life dolls—perfect right down to the finest, most exacting detail of their pussies and tits, and they all looked good enough to eat!

Without further ado, Mary and Samantha began checking out the different dolls that were "hanging around"—and expressing their pleasure with the quality of their "newfound friends." "Damn they are fine! Tits, ass, pussy, cock, they have it all!" marveled Mary as the two began playing with them, licking them and humping them! Finally one of the company officials came out to begin the official tour of how their dolls are made. From the assembly line and the people working on them, and everything from start to finish, it was like watching lots of Dr. Frankensteins at work! They took the time to show Mary and Samantha just how they are made out of a special formula of silicone that is so jellylike that all the body parts, and especially the most important sexual ones—the tits—feel, bounce, squeeze and pull, just like the real McCoy.

"It's a very sophisticated form of masturbation, for those that want to

take masturbating to a new height," a high-ranking Abyss Creations official told the girls, adding that Howard Stern once told his radio audience that he had in fact banged one of their RealDolls and he said it was the "best sex" he ever had.

Finally, all the "dirty talk" and sexual tension was too much for Mary and Samantha, and like what most porn stars do when they get hot and bothered, they quickly stepped out of their clothing. And as the girls examined and frolicked among the dolls, letting their boobs lead the way, they had nothing but praise for their sensuality and realism.

"The company calls their sex dolls a 'piece of art'—I call them a piece of ass! And so flexible!" cooed Mary. In fact, no matter what Samantha and Mary did to the dolls—eating their pussies, licking their nipples, sucking cocks on the male models, fingering buttocks, whatever—they remained totally pliable.

"It's as if they have all their dolls doing yoga or something! How funny is that?" cracked Samantha.

"So however you want to fuck your RealDoll—doggie, missionary, spoon—the doll 'cooperates.' There's no whining like with some real porn stars if you squeeze her tits too tightly," tossed in Mary with a grin.

The sales pitch for a horny guy to ante up the coin for a RealDoll is considerable. Sex-starved dudes no longer have to waste time, money and effort

seducing the objects of their desires, and don't have to get "dolloed up" themselves prior to a suck and fuck session! In fact, you don't even have to take a shower or brush your teeth first! Just whip out your cock and do what you want, and your RealDoll will "give it up"—no questions asked, no complaining. Of course the price tag is high, but once you figure out what you spend every week pursuing pussy over the course of the year, you can see that having a RealDoll instead for sexual pleasure can make serious financial sense.

Nonetheless, Mary and Samantha, who make their living fucking "real" people and letting "real" cocks shoot "real" loads all over their chests, did want to draw the line somewhere—sort of, anyway. "You don't really want to give up real people completely, but you might want to cut down on them once you invest in a RealDoll!" intoned Mary. "These folks making these are so into what they are doing, and keeping their customers happy, they are always coming up with new twists and options. How can you not fall in lust with all of this?"

The company's "mad scientists" recently introduced something new called the "Face X" system—where customers can get a model that lets you screw on different faces! In other words, if you get sick of fucking the same doll night after night, it only takes a minute to turn her into a whole other babe! Do these people know their sexual shit or what? High-tech twat put together with Hollywood special effects machinery and equipment, and it doesn't get any better than this! And if you ever really get sick of your RealDoll, just like you get sick of a girlfriend, you can kick her to the curb—literally. And just buy a new one!

Mary and Samantha spent the rest of the day at the offices of Abyss Creations screwing around with the dolls, talking to the company employees and having a really great time. It was so great in fact, that company execs had to kick the tittified two-some out at closing because the workers wanted to go home already.

"It was fantastic making this discovery about RealDolls and we had a wonderful time fucking with them and grinding on their boobs, and talking to the supercool people that make them," oozed Mary, as she and Samantha finally were persuaded to put their panties and bras back on and head for the exit. "I don't own a Realdoll yet myself, but you better believe they are now tops on my Christmas list, and the first rich boyfriend or girlfriend I come across is going to have to buy me the RealDoll of my choice, or else!" exuded Mary as she got into her car.

As for Samantha, the experience of spending a day there was similarly life-changing. "When I get back home and tell my friends that I had sex with a human clone, they are going to freak out!" she laughed. "But what will really blow their minds is when I tell them that not only was it good, but better than a lot of the sex I've had with other porn stars!"
